

Good Food from Perthshire

linking self-catering visitors and quality local produce

*Special Offers for
August, September, October 2010*

Enjoy our wonderful local produce with these special offers from food retailers across Perthshire.

Simply show this sheet at any of the food retailers listed below and hand over one of the separate "Good Food from Perthshire" Special Offer Vouchers. Only one voucher per offer.

From raspberries to fresh free range eggs, venison to vegetables - and also for drinks that include both the finest natural mineral water and the subtlest of malt whiskies, Perthshire is unbeatable.

It is no coincidence that from small beginnings in Perth, the idea of Farmers' Markets in Scotland took root. They continue to expand and make an impact on the rural economy. Likewise, there is huge support and enthusiasm for farm shops, where discerning customers can find the best of local produce (and probably a fresh home-baked scone with their coffee as well!). In short, Perthshire provides a platform for small producers who focus on quality. That means you'll find their produce in farm shops, as well as delicatessens and all kinds of specialist retailers, matching quality wares from other parts of the world.
